RAMPAGE

PORTABLE BASKETBALL SYSTEM

• Selection of various clear acrylic and tempered glass backboards in sizes ranging from 36"x48" to 36"x60"

• All First Team goals are direct mounted to eliminate backboard breakage when players hang on the rim

• Optional bolt-on TuffGuard™ backboard padding

• Simple hand crank adjustment easily adjusts rim height from 10' - 6.5'

• Foot lever raises unit onto castor for rolling

• Tough powder coat paint

• Rim height adjusts for smaller players

• Safety padding covers front of base unit

• Compact & Easy to roll

• Optional FT82BC Ballast Box Cover Padding

• PORTABILITY - The RAMPAGE rolls easily on 3 non-marking roller wheels and folds down into a compact storage position.

• HEIGHT ADJUSTABLE - Crank to adjust the rim to lower heights and the RAMPAGE works great for residential or recreational use.

The Rampage portable basketball goal is by far the best performing unit in its class. No other portable goal offers this level of rigidity, portability and simple height adjustment at such an affordable price.

Infinite rim height adjustment can be made with the easy crank handle located on the back of the vertical mast. The rim height indicator labels determine rim heights from 10' to 6'6". The Rampage uses our exclusive crank-up design, which is far superior to similar goals using "spring-slide" methods.

The Rampage can easily be transported across a gym floor or up a driveway. Simply depress the foot lever located on the base unit for transport. Flip the lever back up for play. The extension arm drops down easily without tools to allow the Rampage to pass under doorways for storage rooms or garages. The backboard to base extension is 30" at all rim heights. The front base and stem are covered with thick vinyl padding for player safety. Padding is available in several choices of colors.

A selection of acrylic backboards is available on the Rampage. Each package includes a high quality flex goal with net. Get in the game with First Team's Rampage.

Every Rampage package comes with a Lifetime Limited Warranty.

WARNING!

Failure to install customer supplied ballast according to instructions could result in serious injury.
